Knowledge of Weapons, Explosives
and Related Matters

On March 1, 1960, the following source, [redacted] b7D
[redacted] advised that NELSEN has
often expressed himself to be a racist to the point of
being psychotic. Source explained that when NELSEN
"takes off" on his anti-Jewish and anti-Negro tirades,
he becomes pale, white, highly excitable, nervous, shakes
and shows evidence of uncontrollable facial contortions.
Further, source advised he has seen a loaded .357 magnum
revolver and a 5" dagger in NELSEN's possession and
learned from conversation with NELSEN that he carries
these weapons in his briefcase and has the briefcase
with him at all times.

(CG T-2, 3/1/60)

The January 6, 1948, edition of the "Minneapolis
Star", a daily newspaper of general circulation, carried
an article entitled, "'Hate' Leader Described 'Dangerous'".
According to the article two Veteran's Administration Hospital
psychiatrists said NELSEN is suffering from a paranoid
condition, is hostile, suspicious and has delusions of
persecution by minority groups although he has above average
intelligence. He was described by one of the psychiatrists
as "potentially dangerous".

The following source, [redacted] b7D
[redacted] has advised that MAX
NELSEN was attempting to recruit individuals into an
organization referred to as the Institute of Bio-Politics,
also frequently referred to as the National States
Rights Party, (NSRP), and NELSEN spoke of the two
organizations interchangeably. NELSEN has mentioned a

"Security Unit" and a "police force" in his organization and has stated he and his associates have recruited some ex-members of the American Nazi Party (ANP), to form the nucleus of a security guard. NELSEN indicated he was currently looking for a place in which to hold a school where individuals on his "police force" would be able to receive training in the use of small arms, bombing and the inciting of race riots looking toward the day when the "organization" takes over. Source considers NELSEN to be a psychopath in that as NELSEN puts it, "When the day comes there will be mass murder and the shooting down of people in front of places like Roosevelt University." According to source, NELSEN lives in the past, believing that the best era was the 1920's when organized crime was dominant. NELSEN has mentioned his awareness of "plastico" a dough explosive used in demolition work and also his awareness of other means of causing delayed explosions such as uncorking a bottle of liquid carbide in a closed room with a lighted candle to explode the carbide when sufficient fumes have reached it. NELSEN has commented on the bombing of synagogues in the past stating that his organization is not interested in bombing empty buildings and if they bomb one it will be filled with people.

(CG T-3, 8/2,4,7/61)

Passport Records and Travel Information

On April 6, 1966, SA [] U.S. Department of State, Federal Building, Chicago, Illinois, advised that on that date Mr. MAYNARD O. NELSEN, 114 Morgan Lane, Hoffman Estates, personally appeared in the U.S. Department of State Office and declared he wished to register as an agent of a foreign power; namely, East Germany.

b6
b7C

NELSEN stated he was forming a new group called the Leipzig Trade Fair Inc., of North America. NELSEN stated that he would be an officer of this group, together with several associates of his in Chicago.

Additionally, NELSEN stated that he was a Nazi and if Nazi Germany existed today, he would be there. However, since no Nazi Germany exists, we are stuck with him.

NELSEN added that he doesn't want his writing activities curtailed and requested to know from complainant that if he (NELSEN) does register as an agent of a foreign government, will this curtail his writing activities. Complainant in reference to this request, sent the subject to the U.S. Department of Commerce, Room 1485, Federal Building, Chicago.

The files of the Passport Office, U.S. Department of State, (USDS), were reviewed on June 17, 1966. These files disclosed that Passport Number B-536076 was issued to MAYNARD ORLANDO NELSEN on September 25, 1961. This passport was not valid for travel to Albania, Cuba, and those portions of China, Korea and Vietnam under communist control.

The application dated September 19, 1961, for this passport listed NELSEN's date of birth as January 1, 1924, at Minneapolis, Minnesota. His permanent address was 114 Morgan Lane, Hoffman Estates, Roselle, Illinois. His parents were listed as NELS NELSEN, and INGA DJUVIK both born in Norway. He was married to THEA KAPPL on November 14, 1953; his wife was born on October 19, 1926, at Regenstauf, Germany.

According to this application the subject planned to leave New York City in November, 1961, for an indefinite stay abroad. He planned to visit Portugal, Spain, Europe, Africa and Argentina. In the space on the application to note the "purpose of trip," he set out the following:

"The business of the Institute for Biopolitics,
P.O. Box 1785, Chicago, Illinois."

This passport was renewed on or about September 24, 1964, at Chicago, Illinois, for proposed travel to Germany, for the purpose of business. In his renewal application he stated that he intended to depart from Chicago, Illinois, in January, 1965. This application contained no additional pertinent information.

It is to be noted that a passport when issued is valid for a period of three years and renewable for two additional years. Therefore, Nelsen's passport issued in 1961, renewed in September, 1964, is currently valid.

as: Nelsen is described on the above application

Interviews of MAYNARD ORLANDO NELSEN

On January 13, 1961, MAYNARD ORLANDO NELSEN was interviewed by Agents of the FBI and advised in part as follows:

NELSON stated he was a specialist in Jewish problems and was the manager of M&N Associates, Post Office Box 1785, Chicago 90, Illinois, adding that EUSTACE MULLINS was the director of M&N Associates. He stated that M&N Associates published in November, 1958, "The Atlanta Report", which set forth the views of MULLINS and himself and disproved the "frame-up" of the four or five boys arrested in connection with the bombing of the temple in Atlanta, Georgia. He added that all of these boys were members of the Nationalist States Rights Party (NSRP) of which he also is a member.

Concerning the NSRP, NELSEN stated this Party consisted of individuals whom he described as a "hybrid type of Nazis". He stated the work of the NSRP was almost over and as to show how this was true, commented on the fact that the NSRP was responsible for President Elect KENNEDY getting less than 50% of the total popular votes in the recent national election. He stated the NSRP is the third largest political party in the United States and polled over 200,000 votes in the nine states in which the NSRP and its affiliates were on the ballot. In some states he stated this Party was listed as the States Rights Party, however, the NSRP assisted them with both literature and propaganda. The purpose was to create a "theoretical basis of a racist nationalist state".

NELSEN commented in regard to the bombings of the Jewish temples no "non-Jew" was ever convicted of

CG 105-5587

such a bombing and "no Jew" was ever injured in any of these bombings, reiterating that these bombings were a "fund raising gimmick"; that since the Jewish race in the United States was not persecuted from without, it was persecuted from within, that is self-created persecution in order to keep its members in line, create sympathy for the Jewish religion and raise funds.

Pertaining to the NSRP, NELSEN stated there is no rigid organization; that it is an informal organization, and holds conventions when the need arises, at which conventions officers are elected and that conventions are held approximately twice a year. He stated the last NSRP convention was held in Chattanooga, Tennessee, a week after the last national election and although he was not present, he was represented at this convention. He declined to state where the NSRP funds come from, stating this was "top secret".

NELSEN stated that the feeling of the NSRP concerning the Jewish people was that they are not a religion but were a race. He stated that those of the Jewish race were not included as Caucasians and were parasites. He stated the Jewish people on the beaches at Tel Aviv were being financed by the Jewish people in Chicago.

He stated the Jewish people raise money by such things as the Atlanta bombing, adding that the rabbi in Atlanta, Georgia, had to publicly ask the people to stop sending money as they had raised in excess of \$200,000 after the bombing.

NELSEN likened the NSRP to the Black Dragon Society in Japan and stated that he felt the NSRP would gain national recognition in the United States within the next ten years. He described NSRP members as "native American racial nationalists".

CG 105-5587

EUSTACE MULLINS, mentioned above, is described hereinafter.

On May 5, 1965, NELSEN was also interviewed by Agents of the FBI and at this occasion advised in part that he, NELSEN, was the only manager of the Sam Adams Committee of Public Safety, M. NELSON, P.O. Box 1785, Chicago, Illinois. He is the sole subscriber to P.O. Box 1785 and has been for several years. This interview was prompted by the receipt by the then Attorney General NICHOLAS KATZENBACK of a copy of a pamphlet of the Sam Adams Committee of Public Safety.

He also stated he wrote the pamphlet "Build a White America" and had about 1,000 copies printed, most of which he inserted in envelopes he personally addressed by hand and mailed. He estimated about 750 pamphlets were distributed in the United States and the remainder abroad, mostly in Germany. He has no listing of the persons or organizations to whom he mailed the pamphlet. On numerous occasions, he would read in newspapers and magazines about an individual or organization and would mail a copy of the pamphlet to that individual or organization.

He described himself as an intellectual Nazi genius with an intelligence quotient of 155 inasmuch as he has two college degrees. He claimed to be one of the few true Nazis in the United States, noting that his wife's grandfather was one of the original members of the Nazi party in Germany.

Of the pamphlets he mailed to Germany, most of them were sent to friends who were former members of the SS. Among his good friends in the United States is GEORGE LINCOLN ROCKWELL, head of the American Nazi Party.

He also described himself as a Nazi theoretician who has been working for more than twenty years promulgating Nazi principles.

He wrote the pamphlet as an expression of his viewpoints about human relations. He distributed the

pamphlets to those he considered as his friends for their information and to those he considered as his enemies so they would be warned of his intellectual ability. He is the type of individual who, if he sees a fire in the mind of his enemies, will throw intellectual gasoline on the fire to promulgate his viewpoint.

NELSEN said he is not a man of physical violence and has never been arrested for any reason. The Central Intelligence Agency, the FBI, the Postal Inspectors and numerous other Federal agencies have extensive records concerning his activities over the past twenty years, and a review of these records will show he is a man of intellectual violence as opposed to physical violence. NELSEN said he hoped he would be arrested by Federal authorities so he would benefit from the publicity.

II. AFFILIATION WITH HATE
ORGANIZATIONS

National States Rights Party (NSRP)

A characterization of the NSRP will be found in the appendix section of this report.

A source advised on May 10 and 11, 1960, that he had received information that MAYNARD NELSEN intended to participate in activity of the NSRP in Birmingham, Alabama, in June, 1960. NELSEN did not mention the specific activity but indicated it would be "the first major demonstration."

(CG T-4, 5/10-11/60)

Source advised that NELSEN had indicated to him recently that NELSEN was continuing plans for a demonstration in Birmingham, Alabama, in June, 1960, of the NSRP and that certain literature had been mailed out to persons in Birmingham, Alabama.

(CG T-4, 5/23/60)

Issue number #27, dated March, 1961, of "The Thunderbolt", official organ of the NSRP contained information concerning the speaking tour of [redacted] of the NSRP. The bulletin indicates in part "March 29 - Chicago, Illinois, all from the area, including Milwaukee and Detroit are urged to attend this conference contact MAX NELSEN, P.O. Box 1785, Chicago 90, Illinois."

b6
b7C

In April, 1961, MAX NELSEN contacted the Chicago Police Department and identified himself as being employed and residing in the Chicago area, and stated he is affiliated with the National States Rights Party, which is headquartered in Birmingham, Alabama. NELSEN added that he handles functional propaganda for the Party. NELSEN stated that he wrote the NSRP program and added that the Party dealt only with legal politics. He stated his main activity with the NSRP is to attack Communism, communist organizations and individuals, especially in the Chicago area. He stated that in this manner he expects to be introduced to the public which will serve his political ambitions culminating in his election as governor of the State of Illinois ten years from now under the NSRP political banner.

MAX NELSEN attended a meeting held at the Atlantic Hotel, 316 South Clark Street, Chicago, Illinois, on April 3, 1961. This was a meeting to hear [redacted] of the NSRP, and NELSEN, according to source, appeared to be closely associated with [redacted] and gave the appearance of being in charge of the operation as far as details in Chicago were concerned. About 35 people were present including persons recognized as being affiliated with the Fighting American Nationalists, (FAN), and the ANP.

b6
b7C

(CG T-5, 4/3/61)

Characterizations of the FAN and the ANP are to be found in the appendix section of this report.

On May 15, 1961, MAYNARD NELSEN telephonically contacted the Chicago Office of the FBI on a matter and then identified himself as the Illinois representative of the NSRP.

MAYNARD O. NELSEN attended a meeting of the NSRP of Illinois on August 19, 1961, at the LaSalle Hotel, Chicago. A co-sponsoring organization was FAN. Approximately 40 persons were in attendance. NELSEN was the main security guard and questioned everyone before he would allow them to enter. NELSEN called the meeting to order and gave a short, undirected talk on the purpose of the NSRP and its political ideology. All speakers were anti-Semitic and the general gist of the talk was that the Jews had taken over America.

(CG T-6, 8/23/61)

On June 8, 1962, [REDACTED]

[REDACTED] advised that he had determined from the current issue of "The Thunderbolt", a publication of the NSRP, that on Saturday, June 16, 1962, a meeting of the Illinois NSRP would be held at the LaSalle Hotel, LaSalle and Madison Streets, Chicago, Illinois. b7C

The following source advised that on June 16, 1962, MAYNARD O. NELSEN, who introduced himself as the Illinois Chairman for the NSRP, presided over a meeting on this date at the LaSalle Hotel, Chicago, Illinois. The meeting, jointly sponsored by the NSRP and the Institute for Biopolitics, was private and only those persons examined by a security guard were admitted. Source stated that the meeting was attended by a majority of the hard core members of the ANP who were there to protect their leader, GEORGE LINCOLN ROCKWELL, head of the ANP, who appeared as a surprise guest of Mr. NELSEN. NELSEN in a speech explained that the Institute for Biopolitics was a worldwide organization to promote national racism. The institute proposed to expose Communism as being Jewish and to stop the Jewish plan to mongrelize the families of nations into a mulatto human race that would be controlled by them.

(CG T-6, 6/19/62)

In addition the following sources verified NELSEN's presence at the above described meeting wherein GEORGE LINCOLN ROCKWELL was a guest speaker.

A collection was taken up for these NSRP members.

Subject: Civil Rights for White American Citizens

The REALPOLITICAL INSTITUTE, a research and policy formulation group of the *Democratic Nationalist Party*, presents a program of *Democratic Nationalism* . . .

1. Immediate protection of the local customs, traditions, and civil liberties of the Southern states, in accordance with established and accepted patterns of racial segregation.
2. Immediate adoption of Federal segregation legislation to reduce racial tension and prevent recurrent race riots in the Northern, Eastern, and Western states—practical, far-sighted measures must be taken to restore the racial self-respect and harmony which form the basis of genuine national welfare.
3. Immediate re-establishment of segregation in the U. S. Armed Forces, to restore the troop morale and combat efficiency so vital in the face of world-wide Communist aggression.
4. Creation of a National Repatriation Commission to encourage the voluntary emigration and resettlement of non-assimilable Whites and non-Whites through financial and economic assistance.

The REALPOLITICAL INSTITUTE represents 130 million White American Citizens prevented from any effective choice of candidates by the disloyal Jewish Consensus.*

OUR AMERICAN DESTINY

It is our American destiny to bring about the unity of the Whiteman's World. The life-or-death threat of an aroused Asiatic world under the domination of Communism affords the challenge which will close the ranks of the Whiteman's World in an earth-shaking battle for survival.

We Whitemen of America can force world-history to take the pathway of our will—and thus carry forward our destiny—only by holding to those values which have elevated us to our present high place in history; chief among these values is the recognition that we must play our role not merely as so-called human beings but as Whitemen, deeply conscious of our American destiny.

The Whitemen of the coon-skin cap and long rifle, and the brave White warriors and womanfolk of the covered wagon days, who conquered and settled this great continent of ours, were but carrying forward a mighty destiny. Our American destiny is, in a very real sense, the entire Whiteman's destiny. It is our bound duty to carry it onward into the future.

In the days ahead, of heavy threats demanding heroic replies, our Whitefolk brothers and sisters of distant lands will look to us for leadership. The Whiteman of Australia, as he bravely stands at the most advanced western frontier of our White World, must know that we are with him. The Whiteman of South Africa, as he fights for survival in the very heart of the black world, must know that his destiny is a part of our destiny.

Our deep consciousness of being Whitemen and Whitewomen is as old and primitive as our hills. Forsake this precious bond and we will perish. With this thought in mind it is obvious that we cannot step from nation-consciousness to world-consciousness overnight. Whatever supra-historical consciousness we are able to create in the future, as a quickening influence in the lives of our American Whitefolk, must be based upon, if it is to survive, our common-denominator consciousness of being Whitemen and Whitewomen.

Geography and space must be pushed aside and the Whiteman must be viewed as a living and breathing biological and spiritual organism, composed as a great Whiteman's Community of individuals in agreement on the basic things, ever-expanding by procreation and the assimilation of those individuals capable and worthy of forming a part of us.

Dear Sir:

We want your support of our group because you are a member of the Whiteman's Managerial Elite which has been made politically ineffective by the disloyal Jewish Consensus. You as a manager have produced the technological advances upon which our civilization is based, but a conspiracy has prevented you from fulfilling your political destiny as a Whiteman.

We have the answer to the Communist Manifesto. We work for an "implosion" . . . the internal release of the dynamic political energies of our own Whitefolk. We have our own revolutionary idea . . . the Whiteman's Managerial Revolution.

This is a personal opportunity for you to do something—will you give us your anonymous support? We shall be happy to meet you personally, here in Chicago, if you so desire. Write us today—the safety of your family and your future and perhaps your very life are at stake.

Well, now that the shooting is over I want to convey my very personal condolences to you and your entire anti-White, Jew-worshipping, nigger-loving family.

Really, we of the 'radical right' lost the best-possible whipping-boy, when your brother was shot by one of your own Marxist types, a real Trotsky nut.

I have recently read JFK, THE MAN AND THE MYTH by Victor Lasky.

SAM ADAMS -- Patriot

This organization is named for Samuel Adams (1722-1803), American revolutionary patriot and statesman.

Various Committees of Public Safety functioned as executive bodies in the colonies before and during the Revolutionary War. The decision of the Committee of Public Safety, established by the second Provincial Congress of Massachusetts in February, 1775, to occupy Charlestown and Dorchester Heights, led to the Battle of Bunker Hill.

Sam Adams decisively influenced every important aspect of the pre-revolutionary struggle against Great Britain.

In the realm of practical politics, he promoted the formation of the Boston chapter of the Sons of Liberty.

He gained a reputation as a literary agitator and revolutionary ideologist.

The first pitched battle of the Revolution occurred when British troops, en route to Lexington to arrest Sam Adams, met the armed resistance of the local patriots.

The historian, John Hyde Preston, in his book entitled REVOLUTION 1776 has this to say of Sam Adams: "Samuel Adams has a much clearer claim than George Washington to the title of Father of His Country. Adams was the father, Washington the nurse. Adams conceived the infant, and Washington saved its life."

Preston goes on to say: "Samuel Adams was born with a rebel's soul; he had a genius for rebellion."

Idiot Card

Modern "Thinking"

THE INNER ENEMY TODAY

Why does a White man hate his own kind, and why does he wish to destroy his own kind by inter-marriage with non-Whites?

The answer lies in our educational system and in our political system, both of which are operated not only for the degradation of the White man, but for the degradation of all races to a sub-human, animalistic level.

Our present-day educational system produces people who are stripped of all race-pride and moral courage, and filled with self-hatred and disgust. A twelve year course of carefully planned and executed brainwashing in the public schools destroys inner pride and self-identity. The products of this process enter into public, adult life as racial zombies, able to fulfill a robot role in a factory or office, but unable to exercise or live up to their duties as White men and White women ... to bear the responsibilities of maintaining and furthering Western Civilization.

The most vicious of these robots enter into our political system. They welcome each new act of individual self-degradation as a gadge of honor.

These parliamentary politicians hate Western Civilization, because this means living up to and maintaining the standards above and beyond individual self-interest and greed.

When these 'democratic' politicians act to tear down the last vestiges of our great Western Civilization, which has been built at such cost by so many generations of White folk, a few of us are incensed and outraged.

But most people accept as a matter of course the dictates of these politicians; that our Civilization must be destroyed, and that we, as a sort of half-negroids, must sink to a lower form of existence, so represented by the squalid multi-racial nations of Haiti and Brazil. This is called the 'equalization of living standards'.

But there are a small minority of us who are still White men! We are not robots ... we have not been affected by the brainwashing in the public schools ... and we despise our traitor-politicians!

We, a historic few, say to this parliamentary scum ...

WE WILL FIGHT!

We are of the same stock as the legions of Caesar, the Vandals who sacked a degenerate Rome, and the sailors of Sir Francis Drake!

Well we know the role which history has prepared for us.

Although we have been born into a moral and spiritual squalor worse than that of any nation in world history, we arise from this filth to assert ourselves as White men!

Our enemies now are not Indians, disease, or wild beasts ... they are the mass of non-Whites, and by non-Whites we mean all those who think and act as negroids even if they have a white skin.

Nothing can save our Western Civilization except the harshest measures against these non-Whites, by means of propaganda and physical terror.

There can be no mercy for those who have abandoned their own racial identity and traditions through self-corruption and individual greed.

WHITEMAN AWAKE!

THE HOUR IS LATE!

THE WHITE MAN'S REVOLUTION

Little Rock, Arkansas ... Concord

Oxford, Mississippi ... Bunker Hill

Again, the American White man has asserted himself against a foreign dictatorship whose occupation center is Washington, D. C. This foreign control of our United States of America began in 1933 with the anti-White regime of Franklin D. Roosevelt. Using World War II to consolidate its power, this anti-White group disguised by the term 'liberal' has now over-reached itself, by the passage of the so-called 'Civil Rights Bill'. This anti-White organization exhibits two faces to the outside world ... the Democratic and Republican Parties. Commissar Eisenhower of the Republican Party used guns and bayonets against the White folk of Little Rock, and Commissar Kennedy of the Democratic Party used guns and bayonets against the White folk of Oxford. By doing this, the mask of 'liberalism' lies the naked power of Jewish Communism ... determined to destroy the Western Civilization of the White man.

This use of naked power against the White folk of America is an open admission of defeat by the Soviet-style Supreme Court, and the Federal Judiciary, both controlled by anti-White Jews. This exercise of naked power means that the Federal Government no longer represents the White folk of the United States of America. Now, at last, the Federal Government openly admits that it is a foreign occupation dictatorship using armed force to maintain its edicts and directives upon the captive White citizens.

**Communism
and
Race - Mixing
are JEWISH**

THE WHITE MAN'S REVOLUTION IS NOW HERE!

As Samuel Adams did in 1775, this is more than a prelude!

Across America from New York City to Los Angeles, from Minneapolis to New Orleans, Committees of Public Safety are functioning to alert all White citizens. There is no longer need for patience, nor for small, safe talk. The danger is immediate!

The menace within is Jewish Communism with its absolute control of the Federal Judiciary, Justice Department, and the Armed Forces. The menace without is Russian and Chinese Communism with tentacles of subversion in the State Department, the national mediums of the radio, press and TV ... with penetration in depth in many educational systems from the elementary grades to the State Universities.

The 'liberals' of today are the loyalists (traitors) of 1776!

A great danger to us is the use of the Panem Et Circenses (bread and circuses) technique of the 'liberal' propaganda machinery.

Using direct force against us, combined with planned distractions imposed on our White folk, these tyrants hope to blunt the hatred against themselves. The press, radio, and TV unendingly shift emphasis from our internal problems to baseball games, Cuba, East Berlin, Viet Nam, etc.

Our task, as activists of the Committees of Public Safety, is to apply constant and ever-increasing personal pressures against these 'liberals', traitors, and Jews.

Our views must be direct, positive, and leave no doubt of our basic positions.

The stakes are our very lives ... the survival of our White folk!

THOSE WHO ARE NOT WITH US ARE AGAINST US!

RACE NATIONALISM

The biopolitical foundation of the DEMOCRATIC NATIONALIST PARTY is RACE NATIONALISM.

RACE NATIONALISM is the only alternative for Western Civilization to both the slow death through degeneration by Jewish 'democracy', and the quick death at the hands of Asiatic Communism.

The old 'nationalism' was racially indiscriminate, and racially destructive. Economic injustice resulted in class warfare and the spread of Communism. The Jewish Consensus became powerful on both Finance Capitalism and the Communism it bred, for their only concern was the power which either system provided for them. RACE NATIONALISM stands for the corporate social and economic welfare of the Nation. It places the Nation above the class, special-interest group, and the individual in the spirit of 'all for the Nation, and the Nation for all'. It believes in private ownership within a framework of national regulation ... this is social and economic nationalism.

Its racialism is complementary to its social and economic nationalism, by giving unity a foundation of kinship, binding man to man with a blood connection, seeking the preservation and improvement of the racial heritage. It seeks the service of the part in the greater service of the whole.

RACE NATIONALISM has no conflict between the interests of the Nation and the Race. Instead, the interests of the one are to be sought in the interests of the other.

We can look back to a racial unity pre-dating the division and coagulation into nation-states in order to acquire the vision to look forward to a community of brother-states in the future.

Delineation of the Nation:

1. We demand the union of all White folk of the North American Continent into a common Folk Community.
2. Only members of our White folk may be citizens of the Nation.
3. No Communist or Liberal may be a citizen of the Nation, because of advocacy of the mongrelization of our White folk.
4. No Humanist or Pacifist may be a citizen of the Nation, because of disloyalty to the Nation.

Folk Policy:

5. The Government shall promote White folk integrity through the complete and officially enforced segregation of all non-Whites in the Nation.
6. We demand that all intermarriage between citizens of the Nation and non-Whites in the Nation be outlawed.
7. We demand the creation of a National Eugenics Commission to secure the ethnic future of our White folk.
8. Immigration shall be restricted to select White folk from lands of ethnic consanguinity.

Civil Rights Policy:

9. All citizens of the Nation shall share equal duties and enjoy equal rights and privileges.
10. The right to vote on the Government and legislation of the Nation shall be the privilege of citizens of the Nation only.
11. Only citizens of the Nation may be candidates for public office, and be employed in departments and agencies of the national and local governments.
12. Only citizens of the Nation may engage in jurisprudence, and be eligible for court and jury duty.
13. Only citizens of the Nation may bear arms and serve as members of the armed forces of the Nation.
14. All persons engaged in activities of entertainment and educational and cultural expression must be citizens of the Nation.

Economic Policy:

15. The workers, farmers, industrial and agricultural technicians, engineers, managers, and businessmen, as citizens of the Nation,

shall work together as a team and be represented by their own members in the Government ... they will subordinate their individual and group interests to the greater interests of their White folk as a whole.

16. The Government shall secure private enterprise by guaranteeing equality of economic opportunity for all citizens of the Nation.
17. We demand a fair price for both producer and consumer, and the safeguarding of both against speculation and profiteering.
18. As science increases the power to produce, we demand that the purchasing power of the consumer be raised proportionately.
19. The Government shall alone exercise its constitutional right to issue debt- and interest-free currency, based on the national production of goods and renderance of services.

Social Policy:

20. The Government shall secure the unending improvement of the health and living conditions of the citizens of the Nation.
21. We demand the total elimination of flood and dust-bowl conditions under a long-range program to conserve, utilize, and develop the water, soil, forest, mineral, and nuclear resources of our North American Continent.
22. We demand the development of proper recreational facilities for the White youth of the Nation, beginning with the establishment of youth centers in every community.
23. We demand the complete reorganization of our educational system, so that every individual citizen of the Nation is afforded full opportunity for self-expression, self-realization, and thorough integration into the life of his White folk Community.

Foreign Policy:

24. We demand that the sovereign interests of our Nation be secured by firm and sound bilateral diplomacy.
25. A strong and effective system of national defense shall be created to meet any international eventuality.
26. We demand the formal incorporation of Canada, Greenland, and the adjacent North Polar Regions into our Nation.

Political Policy:

27. We demand a reorganization of all governmental departments to eliminate duplication, waste, and corruption, and to insure efficiency, economy, and sound administration.
28. We demand the elimination of all ideology and influences from every phase of our political and cultural life which tend to cause the degeneration of our White folk Community.

THE SAM ADAMS COMMITTEE OF PUBLIC SAFETY

Patriotic Political Action
-of the
DEMOCRATIC NATIONALIST PARTY

This year must be the year of political counter-attack against the insidious forces of diversion and subversion within our midst.

THE SAM ADAMS COMMITTEE OF PUBLIC SAFETY has been founded to reassert the political functioning of the White folk majority within our United States of America.

Since the turn of the century, our American political scene has been dominated by various factions and self-interested minority pressure groups whose goals have generally not included the promotion of the general welfare and the survival of the Nation.

This has produced an intolerable political situation within, and an impossible foreign posture without, our United States of America.

The fragmentation of our American political life by Trotsky-type politicians of both the Democratic and Republican Parties is directly responsible for the continuing victory of International Communism.

There is only ONE SOLUTION ... rebuild the political organization of the ineffective White folk majority, and concentrate its united will upon the political questions of the day.

THE SAM ADAMS COMMITTEE OF PUBLIC SAFETY will attack the local Trotsky-type politicians of both the Democratic and Republican Parties.

It will conduct a campaign of propaganda and physical terror against the guilty individuals and their associates.

It will drive these traitors from public office, and reduce them to a position where suicide will be the only salvation for their crimes against their own society, their own people, and their own Civilization.

It will organize public meetings, publish hard-hitting exposes of the minority diverters and subverters in our midst, issue directives to its members and affiliates with reference to specific issues and problems, and will directly sponsor individual candidates for any and all public offices.

THE SAM ADAMS COMMITTEE OF PUBLIC SAFETY will pre-select the candidates for public offices so that the individual voter-member of the White folk majority will be able to make a positive decision at the polls.

It will aim at the complete control of the status-making machinery within our local society.

The Executive Committee will assign a speaker to appear before your group for detailed exposition of our plans and methods, at no obligation, and in complete confidence.

On September 8, 1967, a source advised that the American Nazi Party - World Union of Free Enterprise National Socialists (ANP - WUFENS) was organized by GEORGE LINCOLN ROCKWELL at Arlington, Virginia, on February 26, 1956. It was based upon the concept of an international "National Socialist" movement, as espoused by the German Nazi Party, which was headed by ADOLF HITLER. The ANP-WUFENS supports and follows the line of hatred against Negroes, Jews, and communists, through speeches, published literature, demonstrations and publicity-seeking devices for the purpose of seeking a legitimate dominant political party within the United States and in foreign countries.

"The Richmond News Leader" issue dated April 4, 1963, published daily at Richmond, Virginia, stated that this organization is chartered in the State of Virginia as "The George Lincoln Rockwell Party" and that the Virginia Assembly prohibits the use of "Nazi" or "National Socialism" in a Virginia-chartered organization. As of January 1, 1967, the official name of this organization was changed to "National Socialist White People's Party," according to Commander ROCKWELL.

On August 25, 1967, GEORGE LINCOLN ROCKWELL was assassinated in Arlington, Virginia, near the ANP Headquarters Building. The August 28, 1967, issue of the "Northern Virginia Sun," a daily newspaper published at Arlington, Virginia, stated that [REDACTED] after ROCKWELL's assassination.

The NSRP believes that the Jews and the Negroes should be exposed in their attempts to have integration between whites and Negroes.

A second source advised on January 17, 1967, the Chicago branch of the NSRP was bankrupt and unable to pay rent for premises at 2237 North Western Avenue, Chicago. This source advised on March 3, 1967, Chicago branch NSRP vacated premises at 2237 North Western Avenue and ceased to function as an organization on March 1, 1967. On March 1, 1967, according to source, members agreed to remain in contact with each other until such time as they could reorganize NSRP at Chicago.

On July 12, 1967, the second source advised the NSRP does not have a headquarters at Chicago; however, members have maintained contact with each other and plan to reactivate the group if civil rights demonstrations commence in Chicago.

APPENDIXNATIONAL STATES RIGHTS PARTY (NSRP)

On November 26, 1957, a source advised that the United White Party (UWP) was organized at a convention held in Knoxville, Tennessee, on November 10, 1957. An article in the November 26, 1957, issue of the "Greenville Piedmont," a newspaper of Greenville, South Carolina, reported "the recent formation of a new political party, to be known as the United White Party." According to the article, the party was formed at a recently held meeting in Knoxville, Tennessee, at which many klansmen were represented. The UWP was reported as being opposed to all "race mixing organizations and individuals."

The July, 1958, issue of "The Thunderbolt," self-described as the "official Racial Nationalist Organ of the National States Rights Party" (NSRP), reported that rank and file "States Righters" had merged with the UWP under "the banner of the National States Rights Party," with national offices at Post Office Box 261, Jeffersonville, Indiana.

In November, 1958, a source advised that the NSRP is composed of past members of Klan-type organizations and notorious anti-Semites.

Issue No. 19, dated June, 1960, of "The Thunderbolt" announced the address of the headquarters of the NSRP had been changed from Jeffersonville, Indiana, to Post Office Box 783, Birmingham, Alabama.

Issue No. 69, dated July, 1965, of "The Thunderbolt" announced the address of the new headquarters of the NSRP as Post Office Box 184, Augusta, Georgia.

Issue No. 88, dated April, 1967, of "The Thunderbolt" announced the address of the new headquarters of the NSRP as Post Office Box 6263, Savannah, Georgia, 31405.

On August 4, 1965, a source advised that [redacted] of the NSRP and [redacted] of "The Thunderbolt," is the individual who actually controls the NSRP. b6 b7C

Issue No. 72, dated November, 1965, of "The Thunderbolt," reflects [redacted] of the NSRP as well as [redacted] of "The Thunderbolt."

"The Thunderbolt" continues to publish articles attacking Negroes and persons of the Jewish faith.

FIGHTING AMERICAN NATIONALISTS

A source advised on April 10, 1961, that the Chicago Branch, Fighting American Nationalists (FAN), was established at Chicago, Illinois, in November, 1960, as a "front group" of the American Nazi Party (ANP). Source stated the expressed purpose for establishing the Chicago Branch, FAN, was to create a "training ground" for ultimate membership in the ANP.

Source stated that as of February 1, 1961, the Chicago Branch, FAN, was [REDACTED]

On May 22, 1962, [REDACTED]

[REDACTED] advised that as of that date, all operations in the Chicago area are now carried on under the banner of the ANP. Previously, he stated, a certain element of the ANP membership was assigned to the FAN, a front group of the ANP. [REDACTED] stated the purpose of the FAN was to afford the young, inexperienced individuals in their group with organizational training and certain indoctrination into National Socialism. In recent weeks all activities have slowly been consolidated into the ANP operation and the FAN organization has ceased to exist in Chicago, Illinois.

FIGHTING AMERICAN NATIONALISTS

On February 23, 1961, GEORGE LINCOLN ROCKWELL, leader of the American Nazi Party (ANP), advised Special Agents of the Federal Bureau of Investigation that the Fighting American Nationalists (FAN) was organized by [redacted] as an anti-communist organization.

b6
b7C

ROCKWELL said FAN was organized in September, 1960, and it is a separate and distinct group from ANP, but members of FAN are "frustrated Nazis" who do not like to wear the swastika or be associated with the principles of ADOLPH HITLER.

ROCKWELL stated individuals have expressed an interest in the FAN and since FAN is in consort with and guided by the ANP, these individuals soon realize the use of the swastika is the best method in getting recognition in their fight against communism. Soon these individuals join the ANP, ROCKWELL said.

ROCKWELL continued there are three members of the FAN in Washington, D.C.: [redacted]

A source advised on February 17, 1961, that in talking to [redacted] ANP, [redacted] stated there is no legal connection between FAN and ANP, but FAN was organized under the guidance of ROCKWELL and it is used as a front group dominated by the principles and objectives of the ANP and looks to GEORGE LINCOLN ROCKWELL as its leader.

SUBJECT: MILITANT ORGANIZATIONS AND THEIR
MEMBERS IN CHICAGO, ILLINOIS
RACIAL MATTERS
BUDED 1/19/68

By airtel dated 12/18/67 the Bureau instructed the Chicago Office to prepare blind memoranda on each militant organization active now or within the past year in Chicago, Illinois, complete with names and addresses of the "hard core" members, including leaders and officers. These organizations would include such militant organizations as the Student Non-violent Coordinating Committee and Congress of Racial Equality and other similar militant organizations in Chicago.

Bureau instructed that separate blind memoranda be prepared on each "hard core" member setting forth a short summary regarding his background and activities including, of course, any subversive information. Militants who have no organizational affiliation but play a key role in agitating activity during this period should naturally be included.

The blind memoranda should contain public source and lead type information as well as a summary of derogatory information which can be logically included without jeopardizing informants or investigative activity. Terminology used should be such that the memorandum cannot be identified as a Bureau document.

The designated agents assigned to the individual to whose file this memorandum is channelized should review the file and prepare the appropriate blind memorandum consistent with current Bureau instructions outlined in Part II, Section 4, page 34, and Part II, Section 5, page 9 of the Manual of Rules and Regulations.

The blind memoranda should be in straight narrative form couched in language that will neither describe the source nor jeopardize our informants. The Bureau has specifically requested that in those instances where news articles are

utilized, the source or actual articles should not be described in the blind memorandum. All blind memoranda are to be limited to a maximum of two pages.

In those instances where a view of the file indicates the individual is not a leader or officer of a militant organization or a "hard core" member of a militant group or plays a key role in agitational activity and a blind memorandum is not indicated, a memorandum to the file should be prepared setting forth reasons as to why the individual does not meet the specific criteria. Any questions should be resolved in favor of preparing a blind memorandum.

The blind memorandum should be submitted, original and five copies, to SA [redacted] prior to 1/12/68, who has the responsibility of coordinating this project and preparing an over-all cover airtel.

Federal Bureau of Investigation

Dear Sir:

I have had referred to me a mailing by the Sam Adams Committee of Public Safety - Democratic Nationalist Party. This mailing was received by a staff member of the Presidential Postal Study Commission, Washington, D. C. It was turned over to the General Counsel for the Post Office for a ruling as to mailability and he found that it came within the purview of 18 U.S.C. 1717 rendering nonmailable any matter advocating forcible resistance to any law of the United States. As the pamphlet advocates application of physical terror to "non-whites" it was declared unmailable. The Internal Security Division, Department of Justice, was contacted by our Washington office.

Our files indicate that the offender is Max Maynard Nelsen who has been investigated by this Service on several prior occasions and also by the Federal Bureau of Investigation. Mailings of similar matter were presented to Assistant United States Attorney R. T. Sikes on August 2, 1965 and prosecution was declined. It is obvious that the mailer seeks publicity and he has openly stated he would be glad to be arrested so he could use the newspapers as a sounding board. A similar offense was investigated in 1965 by FBI Agent [redacted] who presented the matter to the United States Attorney who also declined prosecution. In view of the continuation of these mailings our office has again requested we present the facts to the United States Attorney for consideration. In the event that you have been conducting any recent investigation of this matter, I would appreciate being advised of this so that we might cooperate in further contact with the United States Attorney. I am in Room 622 of the Main Post Office at Chicago, Illinois, and my telephone is 353-2833.

Inspector, Post Office Department, Chicago, Illinois, advised
the Chicago Office that a mailing of the Sam Adams Committee
of Public Safety-Democratic Nationalist Party, the racist
publication of MAYNARD NELSEN, was recently received by a
staff member of the Presidential Postal Study Commission,
Washington, D. C.

It was turned over to the General Council for the
Post Office for a ruling as to mailability and he found it
came within the purview of USC, Title 18, Section 1717.

He advised that the Internal Security Division,
Department of Justice, was contacted by the Postal Inspector's
Office, Washington.

[redacted] made inquiry of the Chicago Division as
to any recent investigation of this matter in order that efforts
might be coordinated prior to further contact with the USA.

It is noted that [redacted] in his letter points out that on all previous presentations of this matter concerning NELSEN, prosecution has been declined.

On 2/26/68, attempts were made to contact [redacted] and it was determined that he would be in Washington for about three weeks. [redacted] of the Postal Inspector's Office was advised that NELSEN continues to mail his literature all over the country, but that no new investigation had been instigated against NELSEN based on criminal violations investigated by the FBI.

It is noted that the above referenced report concerning NELSEN was recently prepared and brought his racist activities up to date. It is suggested that the Bureau may wish to furnish a copy of this report to the U.S. Postal Inspector's Office, Washington, or to Internal Security Division, Department of Justice, Washington, in order that they may have the benefit of this material.

NATIONAL STATES RIGHTS PARTY

Mayor GEORGE SEIBELS
Birmingham Alabama

105-463-931 p. 1, 2.

Mayor GEORGE SEIBELS, Birmingham, Alabama, made available to the Birmingham Office of the FBI, on 2/20/68 a 16 page brochure or magazine, which he had recently received by U. S. Mail. Mayor SEIBELS also made available the manila envelope in which this brochure was mailed in.

Re Chicago letter to Birmingham dated 4/30/62, Chicago letter to Director dated 7/30/62, captioned "INSTITUTE FOR BIOPOLITICS, RM", Memo of SA ROBERT J. DOLAN dated 2/26/64 to Chicago; and Chicago letter to Birmingham, 3/31/64.

For information of Chicago and Savannah, reference letter dated 4/30/62, captioned "NATIONAL STATES RIGHTS PARTY" set forth considerable information in regard to one MAYNARD NELSEN reflecting that in late 1954 in Chicago, Illinois, NELSEN had started a group entitled "REALPOLITICAL INSTITUTE" which group had Post Office Box 1785, Chicago 90, Illinois. It is to be noted that the enclosed brochure, page 16, reflects, M. NELSEN, Secretary and reflects the post office box of P. O. Box 1785, Chicago 90, Illinois.

It was noted that the purpose of NELSEN forming this organization was to create a new political party; that it was primarily a "one-man organization" which had failed to "get off the ground" and did not attract any interest or following.

CG 105-5587

105-4630-931 cont'd:

In referenced letter to Chicago dated 7/30/62, captioned, "INSTITUTE FOR BIOPOLITICS" it was reflected that the NSRP and INSTITUTE FOR BIOPOLITICS were one and the same. It also reflected that no evidence that an "INSTITUTE OF BIOPOLITICS" actually existed as an organization, but that this was a "paper organization" formed by MAYNARD ORLAND NELSON and two other individuals for the purpose of providing an outlet for distribution of material prepared by them.

Birmingham files reflect that on 2/6/64 MAX NELSEN was one of the individuals present at the NSRP meeting at which [REDACTED] of the NSRP, was the principal speaker.

b6
b7C

MAYNARD ORLANDO NELSEN is also known as MAX NELSEN who had been in the past known as the Illinois representative of the NSRP.

The brochure received by Mayor SEIBELS on page ten carries a picture bearing the heading "DEMOCRATIC NATIONALIST PARTY" and page 16 of this brochure carries the heading "THE SAM ADAMS COMMITTEE OF PUBLIC SAFETY" and as previously mentioned shows M. NELSEN, as Secretary with the return address being P. O. Box 1785, Chicago 90, Illinois.
